Deemed	Direct	£62.00	£0.00
Direct	Deemed	£0.00	£36.00
Direct	Nominated	£0.00	£64.20

Explanation of Deemed, Nominated and Direct MOP or DC/DA :

Deemed - We appoint our standard agents. As we have a contract with the agents, it means that the customer doesn't need to worry about doing anything. This is the default option that most of our customers are on.

Nominated - The customer tells us which of our agents they want us to appoint. We deal with the appointment and paying the agent, it's all covered within the cost. This is only available for DC/DA.

Direct - The customer has a contract with the agents themselves and is paying them directly. We don't charge for this, however we do need a copy of their contract with the agents so that we can appoint them when we take over the supply.
